Welcome

Thank you for considering Coombs Test Prep & Tutoring Hub as your educational partner. We proudly serve students across the United States through live online instruction using Zoom and Google Meet. Our mission is to build confidence, strengthen skills, and prepare students for success through personalized instruction and proven educational strategies.

Why Families Choose Coombs

- Personalized learning plans
- Nationwide online instruction
- Live Zoom & Google Meet sessions
- Experienced Educational Team
- Flexible scheduling
- Regular parent communication
- Proven academic and test preparation strategies

Specialized Learning Support

Our founder is a Texas-certified educator with certifications in Generalist (Core Subjects), Special Education, and English Language Arts, and more than 20 years of classroom experience. We proudly support students with Dyslexia, ADHD, executive functioning challenges, and students who benefit from individualized instruction.

Programs We Offer

Digital SAT, PSAT, ISEE, STAAR, Reading, Writing, Mathematics, Science, AP Computer Science, and Academic Enrichment.

SAT Results

+130 points average improvement

Every student is different, but many of our SAT students improve by 130+ points after consistently participating in our comprehensive SAT Prep Program, completing assignments, and taking full-length practice tests.

Meet Our Founder

Sanda Coombs

Founder & Director

Sanda Coombs is a Texas-certified educator with more than twenty years of classroom experience helping students achieve academic success. Her passion for education, combined with certifications in Generalist Education, Special Education, and English Language Arts, has allowed her to develop highly effective instructional strategies for students of all ability levels.

Mrs. Coombs founded Coombs Test Prep & Tutoring Hub with one goal in mind: to provide families with exceptional educational support that is personalized, encouraging, and results-driven.

Today, the company proudly serves students across the United States through live online instruction, helping families prepare for private school admissions, standardized testing, classroom success, and long-term academic achievement.

What Families Are Saying

"You will not find a better or more genuinely caring tutoring company."

Jason Nelson

"My daughter went from failing every math test to passing every test—including earning 100s."

Durga Prasad Diddi

"I was hesitant about online tutoring at first, but it was incredibly effective."

Jamie B.

Ready to Get Started?

Whether your child is preparing for the Digital SAT, ISEE, PSAT, improving classroom performance, or seeking academic enrichment, our Educational Team is here to help.

We look forward to partnering with your family and helping your child build confidence, strengthen academic skills, and reach new levels of success.
